

DIY MURDER MYSTERY GAMES

(In no particular order)

No doubt about it but the deceased has been murdered! You will need to figure out potential motives and try to establish alibis in your effort to find the killer. Only problem the murderer can and will lie; framing innocent guests with dodgy alibis.

Take on the role of an outrageously fun character who is a suspect in a murder investigation. You will need to use your wits and detective skills to catch the killer in your midst or try and get away with murder by framing other suspects.

All that is needed from you is a sense of humour! You will not be doing any acting, script reading or stage performing. You and your fellow suspects will interrogate each other, taking note of any clues, motives or alibis revealed to the group in order for you to catch a murderer!
